

### Consent to Publish & Transfer of Copyright

For the mutual benefit and protection of Authors and Publishers it is necessary that Authors provide formal written *Consent to Publish* and *Transfer of Copyright* before publication of the Work. The signed *Consent* ensures that the Publisher has the Author's permission to publish the relevant Contribution. The signed *Transfer* entitles the Publisher on behalf of the Author to protect the Contribution against unauthorised use and authorise dissemination by means of offprints, legitimate photocopies, microform editions, reprints, translations, and secondary information sources such as abstracting and indexing services including data bases. The Publisher hereby requests the Author to complete and return this form promptly so as to ensure the proper conduct of business.
